

Detailed Saleyard Report - Sheep and Lamb

Market information provided by MLA's National Livestock Reporting Service

Naracoorte

report date 11/02/2020

Yarding	6671	Lamb	4988	Sheep	1683	comparison date	04/02/2020
Change	-2242	Change	-2194	Change	-48		

Numbers eased as agents yarded 4,988 lambs and 1,683 sheep to total 6,671 head overall. These sold to the usual array of trade and processor buyers along with a number of active restockers. Quality was generally good as more lambs off feed with great weights and conditioning come forward in response to current pricing with these lambs receiving strong trade competition and yet another lift in price of \$6 to \$12/head with heavy lambs returning from 850c to 880c and the trade selection from 880c to 920c/kg cwt.

Light lambs to the trade ranged from \$95 to \$156 with the few light weight trade 2 and 3 score types selling to \$168/head. Restockers were active as they turned lambs back out from \$108 to a high of \$170 and up to \$191/head for light weight first cross ewe lambs. Trade weight 3 score lambs ranged from \$170 to \$208 as the heavy lambs returned from \$196 to \$241 and the extra heavy export weighted pens ranged from \$238 to a market high of \$280/head.

Hoggets ranged from \$126 to \$175 as the light ewes ranged from \$65 to \$92/head. Medium weighted ewes returned vendors from \$121 to \$164 as the heavy types ranged from \$157 to a high of \$202 to average around the 620c/kg cwt and a lift in price of \$4 to \$8/head. Wethers ranged from \$142 to \$215 with rams returning from \$60 to \$140/head.
